

COVID-19 Visitor's Self-Declaration

The safety of our employees, clients, families and visitors remains our overriding priority. As the COVID-19 outbreak continues to evolve and spreads globally, we are monitoring the situation closely and will periodically update company guidance based on current recommendations from the Provincial Health Officer, Government of Canada and the World Health Organization. Only business-critical visitors are permitted at this time.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our lawyers and staff, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone in this building and in the event of contact tracing. We will hold all information provided for a maximum of 30 days.
